Steve, attached is your 2012 Annual Progress Report with my comments. I have also started your 2012 PPD (SPD) but cannot complete it until this Annual Progress Report is final since my comments address several of the PPD requirements. I will begin reviewing your 2013 application but that cannot be awarded until the PPD is final and signed so we will both have to work on these things in order to get your grant out! Call me if you have questions.
